Welcome

Here at The Forge Holiday Letting we want all of our guests/visitors to enjoy their time with us and as such be able to have as much accessibility as is possible. To assist with this ambition we have drawn-up an Access Guide to help the reader in deciding the suitability of our properties for their needs.

The Forge and Smithy are old and traditional rustic self-catering cottages located in rural Lincolnshire - both have been refurbished to the highest standards to include modern conveniences - whilst retaining all of the charm and nostalgia of the past.

The Forge accommodates up to five (5) and the Smithy two (2). More details are on www.the4ge.co.uk
